THIS preparation is getting into use all over our country.

The numerous letters we receive from our various agouts, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Gough Medicine now before the public.—It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ass the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine extant.

Below we give a few extracts from letters we have received loatly regarding the virtues of this medicine.

Dr. S. S. Gelin, of Knoxville, Ga., says.—I have been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in its superiority over all other articles with which I am acquainted, for which it is recommended.

Messrs. Fitzgerald & Brenners, writing from Waynesville, N. C., says:—The Liverwort and Tar is becoming daily more popular in this country, and we think justly so. All who have tried it speak in commendable terms of it, and say it is very benefich in alleviating the complaints or which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McFall, It is very beneficia in alleviating the complaints or which it is recommended.

Our Agent in Pickens District, S. C., Mr. S. R. McFall, sesures us that he uses liwith great benefit in his own family and recommends it to his neighbors." He gives an instance is negro woman in his vicinity, who had been suffering with disease of the Lungs for years, attended with sever cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pam-States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To all weaky, have ope, have hope!

Try the Medicine!! Be warned in season!!! And neglection that county which is daily weakening your constitution. not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread-disease, Consumption, when so soothing and healing a remedy can be obtained as Rogers' Syrup of Liverwort and Tar. Beware of Counterfeits and base imitations. The genuine artible is signed Andrew Rogers, on the engraved wrapper around each bottle.

"Excelsior"!!

A T the great trial of Agricultural Implements in Nash-ville on the 4th, 5th and 6th of June, 1856, THE "EXCELSIOR CORN COB MILL!" WAS AWARD-ED THE HIGHEST PREMIUM, as will appear from the following extract from the report of the committee. They say—
"Of Corn and Cob Crushers there were 3 entries, but in consequence of some accidental breakage, only two 1. Excelsior, by J. C. Baldwin (Leavitt's Patent.)

2. Joyce's Star Mill, by B. S. Weller. Little Giant, by O. H. Anderson. Both these Crushers are constructed on similar mechanical principles, and ase about the same power; but the judges gave the premium to Baldwin's Mill. It seemed to have more capacity in a given time, but its chief superiority consists in its having moveable riogs, which constitute the grinding surface, and of course the wearing surface These grinding surfaces are cast iron, and can be re-newed readily and at little cost. This gries more duranewed readily and at inthe cost. This gives more durability for less money."

The above Mill, for Crushing Corn and Cobs, or grading meal for iamily use, is furnished all complete, with two pair of grinding rings, which makes it equal to two mills, at the low price of \$50,00.

The instances of cures it has effected are daily coming to the proprietor's knowledge, and he has nohesitation to recommending it to one and all who desire to procure retief from suffering. One bottle being tried, its effects will be too apparent to admit of further doubt.
